Mr. William V. Collier,
133 So. 12th. St.,
Philadelphia, Pa.

Dear Sir;

I am making inquiries in regard to the antecedents o the various Colliers scattered over the United States in order to ascertain just how many are descendants of Issac Collier that came from England to Brunswick Co. Va. during the 16th. century. Just after the Revolutionary War these Colliers, who were descendants of Isaac, scattered. One was named Vines who came to Georgia about 1780. One was named Myhill whose Mother was Eleanor Hill and whose Father was named Isaac. There was another son by the name of Isaac one by the name of Thomas, one Charles and a daughter named Elizabeth, this was along about 1704 to 1720.

Thomas was a quartermaster in the Va. State regiment in 1778, Myhill was likewise an officer in the Revolutionary army and married Tabitha, daughter of Benjamin Harrison who was a signer of the Declaration of Independence. There was a daughter in this family by the name of Judith that married James Hicks of Brunswick Co.Va. and another named Anne who married Ephriam Parham Apr. 28,1730.

I would appeciate it if you would give me a few facts connected with your genealogy and if you are connected with these Colliers. I am a decendant of Vines Collier of this family.

Very respectfully,

J.C.Collier.
